HATCHERIES PARTICIPATING  
in  
THE NATIONAL POULTRY IMPROVEMENT PLAN

The publication of this list is for the purpose of developing greater efficiency in the operation of the National Poultry Improvement Plan. Additional information regarding these hatcheries may be obtained by writing to them or to the official State agency in their respective States. This list will be revised periodically.

## Foreword

The hatcheries listed in this publication are participating in the National Poultry Improvement Plan, according to reports submitted by the official State agencies. The hatcheries are listed alphabetically by States. The figures in the right-hand column indicate the hatching-egg capacity and the breeding stages and pullorum-control classes are indicated by abbreviations as follows:

U.S.Approved	-- A
U.S.Approved,Pullorum-Tested	-- APT
U.S.Approved,Pullorum-Passed	-- APP
U.S.Approved,Pullorum-Clean	-- APC
U.S.Verified	-- V
U.S.Verified,Pullorum-Tested	-- VPT
U.S.Verified,Pullorum-Passed	-- VPP
U.S.Verified,Pullorum-Clean	-- VPC
U.S.Certified	-- C
U.S.Certified,Pullorum-Tested	-- CPT
U.S.Certified,Pullorum-Passed	-- CPP
U.S.Certified,Pullorum-Clean	-- CPC
U.S.Pullorum-Tested	-- PT
U.S.Pullorum-Passed	-- PP
U.S.Pullorum-Clean	-- PC

No punctuation marks are used in the listing and in many instances the name and address of the hatchery are abbreviated. This is because the stencils are cut from punch cards which provide for neither punctuation marks nor sufficient space for the full name and address. In addition to the accepted abbreviations for the State names, the following abbreviations are used for words frequently appearing in the hatchery names:

Poultry	PLTRY
Hatchery	HTCHRY
Feed	FD
County	CNTY
Farm	FM
Company	CO
Exchange	EXCHG
Seed	SD
Tropnest	TRPNST
Chickery	CHKRY

The name of the contact representative and the official State agency are indicated at the beginning of the list of hatcheries for each of the cooperating States.
